

The family is a child's
best advocate and teacher.
Parents & professionals help the
system work for everyone!

Parents
&
Professionals
Working Together

The Wake County LICC serves families
of children birth to five who have a
developmental delay/disability,
atypical development,
or are at risk for these.

or

visit our website at

www.wakelicc.org

LICC Meetings are
held the second Tuesday
of every month.
Call or visit the website
for location and time.

caring in Wake County
since 1992

What is the Wake County LICC?

It is a collaborative partnership among:

- parents,
- caregivers,
- public agencies (such as Children's Developmental Services Agency, Wake County Human Services & Wake County Public Schools),
- private and non-profit organizations,
- interested community members and organizations,

to promote a coordinated and effective Early Intervention System in Wake County.

The LICC needs INPUT from families & professionals!

The Early Intervention System is made up of many services. Families & professionals are encouraged to participate and answer important questions like:

Is the system:

- ✓ *working*
- ✓ *available*
- ✓ *timely*
- ✓ *coordinated*

Parents and Professionals Can:

- join the LICC and become an active member
- participate in committee activities that interest you
- advocate for children and families
